

Ochils Woodland Park Geo-cache trail

Win a GPS device or a family day pass to World of Wings!

Follow the clues to find all 10 caches on the trail. In each cache there is a letter. Unscramble the 10 letters to create two words. This is your answer!

Email or call in with your answer: **info@ochils.org.uk** or **01259 452520**. Make sure you leave your name and a contact number (and let us know if you did the paper-based or GPS trail).

All correct entries will be entered into the competition. Maximum one entry per person. Winners will be selected at random. Winners' names will be posted on-line.

Competition ends on 30 June 2013. Winners will be notified within 7 days of the end of the competition.

Begin in the Woodland Park car park

Locate 11 metal arches. With your back to the hills, walk towards the path, with the picnic benches to the left.

Before the bridge begins the fun; The stump is home to Number One ①

Cross the bridge and head down the hill. Down, down, down 131 wooden steps you go...

Don't forget to have a look Under the bridge at the babbling brook ②

Eight steps up and the same along Look about yee and you can't go wrong! ③

Continue along path, counting the number of wooden steps as you go down – keep this number in mind!

Add the number of wooden steps to the number of horizontal slats on the wooden gate (in front of you before the path bears left). Divide this number by 3 and remember your answer!

Take the left hand fork in the path. Look out for parallel stones set into the path - there are the same number of stones as the answer you've just had to remember. On the way to these parallel stones you might see a sink where animals can have a drink!

Stand on the bridge and look for the tree that can see you back ④

Keep going along the path, up a gradual slope. On the right can you see a huge knobbly fairytale tree?

Can you find cache Number Five in its nooks and crannies? ⑤

Keep going uphill, following the path.

Cache Number Six you'll ken, Cos' you'll be at a wooden den ⑥

From the mossy stone in front of the wooden den, walk uphill to a larger mossy stone.

Cache Number Seven is in front of the rhoddy den ⑦

Follow the path up and to the left. Go up 30 wooden steps, and then bear left again. Cross the water and pass the bird box. Stand between the short fat tree stump and tall post. Walk towards the clearing in the direction of the hills. Can you see the arch made of tree branches?

Cache Number Eight awaits for all to see In the roots of the tree ⑧

At the entrance to the house of ice is cache Number 9 - you might need to look twice! ⑨

Head back towards the path, past the pond on the right. Stop before the wooden walkway.

To the right if you prevail You'll find the last cache in this trail! ⑩
